Dear Praying Friends and Family,

GREETINGS AND GRATITUDE

Truly God has been good to us, and we are fully aware that, apart from His grace and your steadfast support, we would not be able to continue the work of this ministry in Iwakuni, Japan. It truly is a privilege to have the honor of representing you in this place.

THIS IS THE LORD'S DOING; AND IT IS MARVELLOUS IN OUR EYES

This season of ministry has been fruitful in so many ways. We have been praying that the Lord would work revival in our church and lives. This can be a bit unnerving, but any work of the Lord is for our benefit and good. We trust the refining process, as painful as it may be at times. God's Spirit has brought many things to light, and through His manifesting work, God has provided many opportunities to counsel and witness to folks. We have seen God begin the process of healing marriages! We have watched Him peel back the scales off the eyes of people who professed to know the Lord, but realized that they had never come to rest in the finished work of Christ by the grace of God through faith. We have seen families rededicated to the Lord! Of course, when the church begins to march forward toward victory, by faith, the devil can't sit still. Please pray for all of us to have protection, wisdom, and discernment.

PRAYERS AND PREPARATION

As many of you may remember, in our furlough video presentation (you can view this update video on our website preaching2military@gmail.com), we asked you to be praying with us regarding the potential of partnering with a like minded couple that would plant a local, NT, Bible preaching church in our city, or nearby. Although nothing is finalized, and there is still much to be decided, it looks like God may be moving the Oishi family to our part of Japan to plant a church! Currently, they are surveying the area, and we will be having an evangelistic meeting on Sunday June 12th, which is called "Welcome Day". You can see in the photo a picture of the flyer. Please pray that this will be a fruitful day of ministry! Many have committed to attend, and a few are people that we have been praying for some time to be saved. Could you pray for Bro. Go Oishi as he preaches for these services? Specifically, the services will be taking place at 1500 and 2000 JST.

Thank you, again, for all of your prayers and support! Until next time!

Because He Lives,
