YOUR MISSIONARIES TO THE U.S. MILITARY IWAKUNI, JAPAN

Quarter One 2024 (Jan-March)

Dear Praying Friends and Family,

2024 has been off to a great, albeit busy, start. I am thankful that though we could be busy anywhere in the world, we have the privilege to be here, in Iwakuni, as we strive to bring glory to God our Savior! Thank you for the privilege to represent you, and thank you for your faithful prayers and consistent communications of support. We would not be able to do half of the ministry that is moving forward if not for all that is afforded to our stewardship through you!

THE CONVICTING WORK OF GOD TO SALVATION

Through the first quarter of the year we have been blessed to see many make professions of faith in the finished work of Christ! It never ceases to amaze me that God grants us the privilege to see Him at work in the hearts of people that come from a diversity of religious backdrops. One thing always begins to be clear, no matter the context of life, one essential need is present...the need to place faith not in religion, not in an institution, not in a social cause, but in the saving power of the Gospel of Jesus Christ! Please pray for us as we seek to disciple and encourage these new believers. Please pray for Arie, Ricardo, Yane, Austin, Sophia, Liz, Ricky, John, Robert, Arianne and so many others who have all been saved fairly recently if not in the last few months. Please pray for what can only be explained as a growing core of young believers who are having an impact on their generation in a way that is beyond encouraging. Their zeal for God and sincere desire for the Truth of His Word is a refreshing sight!

THE DAY TO DAY

Although we try to focus on the ministry aspect of what we are doing here in Iwakuni, this is where we live. As God has moved us here, we have striven to not see this as a place we are for the short term, but this place is our home. That being the case, there are a number of "ordinary" things that we enjoy and endure in our day to day. From difficulties like our fridge and oven going out in the same month, illness in the home for two weeks, emotional trials, to the blessings of watching our kiddos grow in their walk with God and in their opportunities like learning piano and Karate...through the highs and lows we love this place. We love the privilege to serve the Lord. Can you pray for us? Not just regarding the ministry we love here, but also just as a family. Geographical location is no barrier to the hardships of life, home, and health.

IN CLOSING

We have many exciting things to report from April and May. We look forward to sharing all of this with you soon in our next prayer letter and a short update video. You all so sacrificially help with so much in your regular support, and we strive to remember you all in prayer often. Until next time!
