YOUR MISSIONARIES TO THE U.S. MILITARY
IWAKUNI, JAPAN

August - September 2022

Dear Praying Friends and Family,

We are so thankful for your continued prayers and support during these tumultuous days. It seems as though every day is full of concerning news from home, yet all around the work of Christ marches on in hearts and lives. We count it a great honor and privilege to represent you in these days. We are not ignorant of the hour in which we serve, and we pray that God will enable us to be fruitful for His glory!

In the month of August, as families are preparing to get their kiddos ready for a busy season of transition for the new school year, it has always been a burden of ours to try to invest one more opportunity for children (and their families) to hear the Gospel. The last couple of years we had been unable to have our annual Back to School Bible Club, but this year the folks of the Faith Baptist Church came together in a big way to make this happen. Lots of intercession, preparation, and participation led into three days we won't soon forget. Children were challenged about

the light of the Gospel on day 1, how we are all in darkness apart from Christ, and why folks turn from the light of Jesus. We asked them if they would come to the light of the Gospel. The second day, we challenged them that Christ is the only true light, and that Jesus wants to forgive and save us. The third day, we presented the truth that as Christ has saved us, we are to walk as children of light. It's never an easy task to create the lessons, theme, and materials from the ground up, but it was all worth it to see our children make decisions to live for Christ. As an example, one of our young ladies, a seven year old, has been faithful to take Gospel tracts to school. She takes these to give to friends, but has a heart for her teachers most of all! What a challenge! God has even allowed her to see some fruit, as one of her teachers has been coming to church faithfully as the result of this young lady's witness!

FRIEND DAY 2022

The highlight of every year is our annual Friend Day. We strive to disciple folks to be a daily witness, and to pray for opportunities in the monotony of life. However, there are times, that as a church we strive to have days of direct community evangelistic efforts. We invite, pray for, and look to have individuals that we have personally encouraged to come be a part of these services. We had several visitors this year, a record attendance (80+), and a soul trusted Christ as her Savior! Thank you for praying for this special day!

As many of you have heard through face book. We are expecting a baby! Thank you for praying for Alicia and our little one to be healthy. We hope to meet our new addition in May. Until next time!

Laborers Together with God,
*THAT THY WAY MAY BE KNOWN UPON EARTH,
THY SAVING HEALTH AMONG ALL NATIONS.*
